

Liability Indemnification for the Santa Clara County Airports Voluntary Hush-Kit Program

I agree that I will indemnify, defend, and hold harmless the County of Santa Clara (County), Santa Clara County Airports, and their officers, agents and employees from any claim, lawsuit, liability, loss, injury or damage arising out of, or in connection with, the installation and use of a Hush-Kit for which the County provides matching funds under this Program. I acknowledge and agree that the County's contribution of matching funds toward a Hush-Kit purchase is in no manner whatsoever an endorsement that any Hush-Kit is appropriate for any particular aircraft, and that it is my responsibility to determine the appropriate Hush-Kit installation for my aircraft. I also acknowledge and agree that if there is any accident or damage to the aircraft, property, or persons, including persons riding in the aircraft, that is alleged to be related to the Hush-Kit, that the County and its employees will have no responsibility or liability whatsoever for any claim, lawsuit or damages arising out of such accident and that I will defend and indemnify the County for any such claim, lawsuit or damages. I acknowledge and agree that it is the intent of this liability indemnification agreement to provide the broadest possible coverage and indemnification for the County. I agree that I or my insurance company shall defend, indemnify and reimburse the County for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation which arises out of the use or installation of a Hush-Kit in which I am obligated to indemnify, defend and hold harmless the County under this Liability Indemnification Agreement.

Aircraft owner
If the aircraft is owned by a partnership, all owners must sign,
If the aircraft is owned by a corporation, a corporate officer must sign
